pundent in Shesidam array wrighting on the 25th of October Says. Since the campaign in the valley has been opened by General Sheridan he has had five of his staff officers killed or wounded. A month ago, but Meiga of the Engineers, was tilled by guerrillas. A short time alterward the Chief Quartermaster and Medical Inspector of the Army were shot by the same ruthans. The latter has slice died. In the battle of Cedar Creek, on Tuesday last, Maj. Lawrence Kip, Aid de Camp, was slightly wounded in the arm by a piece of shell, but is not off, duty. Maj Kip had but two months before returned to the front, having just recovered from a wound received in June last. Capt. McGontgle Assistant Quartermaster was badly wounded in the same battle. During a battle Gen. Sheridan is always in the front line, personally superintending. A sergeant belonging to his escort was killed on Theeday last while standing directly in the rear of the General. pundent in Sheridan's artes | write! the rear of the General.
